SHOP! DESIGN AWARDS

AND THE AWARD GOES TO...

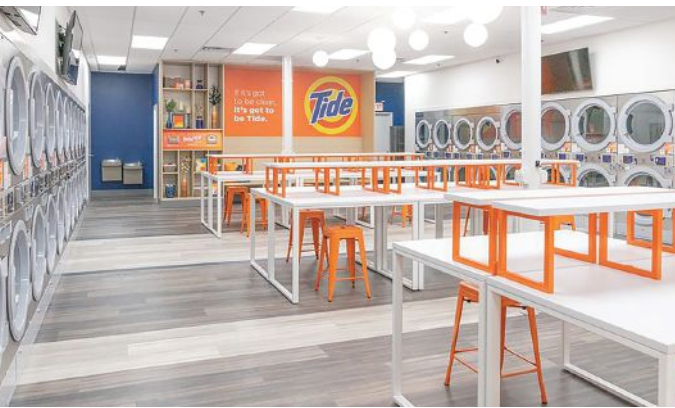

The Shop! Association unveils the winners of its 2021 Design Awards.

CELEBRATING RETAIL DESIGN EXCELLENCE, the annual Shop! Association Design Awards showcases achievements in visual presentations, renovations, fixtures, new store designs, in-store communications and more. Judged by an independent panel based on criteria like design innovation, originality of space and use of materials, as well as quality of concept execution, this year's winners exemplify some of the most exciting projects the industry has to offer.

To view all the winners of the Shop! Association's 2021 Design Awards, please visit shopawards.org and vmsd.com.
