DESIGN FIRM
RESOURCE
GUIDE

FOR 28 YEARS, and as part of our annual Retail Design Firm Resource Guide, *VMSD* has ranked the top retail design firms from around the globe.

Based on submitted design firm fees from completed projects in 2021, and complemented by our comprehensive listing of design/architecture firms and independent designers found on vmsd.com, from the U.S. and abroad, our ranking showcases the perseverance of the retail design industry as we move into the post-pandemic era. (Our Retail Design Firm Resource Guide can be found year-round at vmsd.com/resource-guide.)

Information included in this ranking, including fees, was provided by individual firms and has not been independently verified by *VMSD* magazine. For information about the 2023 guide or ranking, please contact *VMSD* Managing Editor Carly Hagedon at carly.hagedon@smartworkmedia.com.
